ABOUT THIS WINERY

Shaw + Smith was founded in 1989 by Michael Hill Smith and Martin Shaw with the goal of producing elegant, world class wines from the Adelaide hills. That Shaw + Smith have succeeded in spades should come as no surprise given the resumes of its founders. Hill Smith was Australia's first MW and Martin Shaw worked at Petaluma before becoming an in demand consultant. The estate produces benchmark Chardonnay, Sauvignon Blanc, Pinot Noir & Shiraz.

TASTING NOTES

Typically it shows a pink grapefruit character, concentration and mid-palate texture, which reflect the carefully selected sites and hand harvesting during the small window of perfect ripeness.

PRODUCT NOTES

Shaw + Smith was established in 1989 by cousins Michael Hill Smith MW and Martin Shaw. They make wines exclusively from the Adelaide Hills, from varieties that suit the cooler climate: Sauvignon Blanc, Riesling, Chardonnay, Pinot Noir and Shiraz. Growing the best possible grapes, managing vineyards sustainably, and valuing vine health, soil health, and low yields are central to the Shaw + Smith approach.

PRODUCTION NOTES

Hand picked. Cool fermentation in stainless steel followed by maturation on lees. Early bottling to retain freshness.
