	Country	United States
	Regulated designation	American Viticultural Areas (AVA)
	Region	California
	Subregion	Santa Barbara, Santa Rita Hills
	Varietal(s)	Chardonnay 100 %
	Colour	White
	Closure type	Cork

ABOUT THIS WINERY

All of Sea Smoke's grapes come from a rugged, foggy (or "sea smoky") vineyard in the Santa Rita Hills region of Santa Barbara County. From these grapes, the Sea Smoke team creates two beautiful Pinot Noirs: Southing and Ten as well as Chardonnay and a 100% Pinot Noir méthode champenoise sparkling wine called Sea Spray.

Sea Smoke's biodynamically-farmed vineyards in the Santa Rita Hills of Santa Barbara County have the perfect mi

TASTING NOTES

An elegant Chardonnay with aromas of mango, honeysuckle, fresh cut pear and honeydew. These are complemented by nectarine and a slight nuttiness in the focused mid-palate and the refreshing cool climate acidity of our estate vineyard

PRODUCT NOTES

The grapes for this wine come from loamy, well-drained soils on our estate vineyard. Dijon and Wente clones are fermented in stainless steel as well as in French oak foudres and demi-muids. This is an elegant chardonnay with a focused mid-palate and the refreshing cool climate acidity characteristic of Sea Smoke Vineyard.

PRODUCTION NOTES

Our estate-grown Chardonnay fruit was picked and hand-sorted in the vineyard before spending the night in our cold room. Chilled grapes were softly pressed and the juice was gently pumped into a stainless steel tank and cold settled. Once the heavy solids were removed, the juice was racked to a stainless steel fermentor, then inoculated for primary fermentation. Following primary fermentation, the wine was aged in stainless steel tanks for 12 months. The wine was then bottled and corked. **MELANIE FLORES** (204) 794-7277 Manager, Manitoba and Saskatchewan

fermentation, the wine was racked to barrels, inoculated for malolactic fermentation, then periodically stirred ...
