ABOUT THIS WINERY

Sokol Blosser is one of the pioneering wineries of the now-prominent Oregon wine industry. The winery is family owned and operated, with the second generation now at the helm: siblings Alex and Alison Sokol Blosser. Today the winery farms 128 acres of vineyards and creates wines of world-class quality, produced in a sustainable manner, which reflect the distinctive flavors of the grapes, soil and climate.

TASTING NOTES

Rich flavors of cherry and plum pie filling, black cherry and red currants abound, with the daintiest hints of savory notes throughout.

PRODUCTION NOTES

This is a big red blend using a couple of traditional Italian varietals and one traditional French varietal. Also, like the French Rhône's we add a splash of white wine, just a small percentage of our Evolution Lucky No. 9 White, to bring in another layer of complexity that lifts the aromatics, color and flavor.
