ABOUT THIS WINERY

Southern Right is a small Pinotage and Sauvignon Blanc specialist located on a strikingly beautiful 448 ha property in the cool, maritime, Hemel-en-Aarde Valley appellation, just behind the old fishing village of Hermanus.

Founded by Anthony Hamilton Russell in 1994, Southern Right's aim was to produce a serious, age-worthy Pinotage combining a distinct South African fruit and flavour expression with classic styling and refinement.

TASTING NOTES

Packed with complex berry fruit, beautiful tannins and subtle wood spice. Full ripeness and the longer hang-time afforded by cooler sites, combined with the complex, more classic fruit aromas and structure resulting from clay-rich soil, make this wine a highly individual expression of Pinotage.

PRODUCT NOTES

Southern Right is re-defining Pinotage with this intense classically styled, clay-grown wine. This dark, deep and structured wine with its bright acidity and dry minerality, has unusually elegant and classic styling for this unique South African variety.
