	Regulated designation	Denominación de Origen
	Region	Cataluna
	Varietal(s)	Xarel-lo 100 %
	Colour	White
	Closure type	Metal screw cap

ABOUT THIS WINERY

Parés Baltà is a family owned winery in the Penedès region of Spain with traditions dating back to the 18th century. All their wines have an organic certification and the vineyards are certified biodynamic by Demeter. The vineyards are dry-farmed and all wines are vegan. They have their own flock of sheep for fertilizing the vineyards as well as their own bees for pollination during the flowering season.

TASTING NOTES

From the flagship variety of the Penedès, the xarel-lo, comes this organic single-varietal wine. Calcari brings together the purest and most sincere expression of this ancestral variety, native to our territory and strongly rooted in our winemaking tradition. Its characteristics give it great versatility, making it a variety suitable for the production of long-aged sparkling wines or wines with minimal intervention such as Calcari, a wine that allows us to see its great expressive capacity and ...

PRODUCTION NOTES

Hand harvested. After a light pellicular maceration of 4 hours, the grapes are gently pressed and fermented in stainless steel vats for 18 days at an average temperature of 16 °C. After fermentation, the wine remains in contact with the fine lees from the fermentation for 3 months with daily bâtonnage to put the lees in suspension for several minutes a day. Wine suitable for vegans. Wine made from biodynamic grapes and minimal intervention in the cellar.
