	Varietal(s)	Tannat 35 %
	Varietal(s)	Verdejo 15 %
	Colour	Rose
	Sugar	Dry
	Closure type	Metal screw cap

ABOUT THIS WINERY

Born in Spain. Raised in California. Tinto Rey means Red King and is the name of our Spanish-centric wines. The Dunnigan Hills appellation is uniquely suited for grapes, like Verdejo, that thrive in a Mediterranean climate. Warm days, gravelly soil, little rainfall are ideal conditions for Tempranillo, Tannat, Graciano and Verdejo. The distinctive, full-flavored Tinto Rey wines truly showcase the unique terroir of our estate vineyards.

TASTING NOTES

Beautiful, fresh fruit-salad aromas lead to full flavors of peach, vanilla cream, honeydew and ambrosia. This pretty Rosé is bright, crisp and refreshing with a bit of stone-fruit sweetness that adds viscosity and a nice counterpoint to the zesty notes. The flavors linger in the finish and set up the palate for another delicious sip. This bright, lively Estate Bottled Rosé is delicious year-round as an aperitif and has enough body to pair with shellfish or roasted poultry.

PRODUCT NOTES

The delicate pale peach color and complex flavors of the 2021 Tinto Rey Rosé are the result of 100% co-fermentation of Tempranillo, Tannat and Verdejo. Tinto Rey means Red King and is the name of our Spanish-centric wine brand. The Dunnigan Hills appellation is uniquely suited for grapes that thrive in a Mediterranean climate. Warm days, gravelly soil, little rainfall; these are ideal conditions for Tempranillo, Tannat, Graciano and Verdejo. The spicy, full-flavored Tinto Rey wines truly showca...

PRODUCTION NOTES

The MELANIE ERDRIDGE is a blend of Matchbook Estate Grown Tempranillo, Tannat and Verdejo. This wine is unique because it was 100% co-fermented, meaning all three varietals were crushed and fermented together. For more information, contact Melanie Erdridge, Winery Manager, Manitoba and Saskatchewan.

together for better flavor integration. Our winemakers cold fermented (50°F) the 2021 Rosé in stainless steel tanks to preserve the just-picked fresh fruit flavors. The fermentation was arrested at .5% residual sugar to retain a touch of the natural sweetness of the grapes and add viscosity. A...
