ABOUT THIS WINERY

Olivier Humbrecht is one of the world's most renowned winegrowers. A Master of Wine who has been described by Robert Parker as the greatest white winemaker on earth. Yet he is very soft spoken, humble, and self-deprecating. He is a champion of terroir, biodynamic farming principles, and non-interventionist winemaking, whose family have been winegrowers in Alsace for 12 generations (since 1620).

TASTING NOTES

This Hengst tastes soft and unctuous at the beginning, coating the palate with a velvety texture, until, it really unrolls its powerful huge intensity. Numbers made this wine qualify as sweet, but it really tastes barely off-dry. The sensation it leaves on the palate is harmony and length. What a wine, and despite its power, it will be a great match with lots of foods. Grilled, smoked, spicy, marinated... anything with character.
