	Status	Store Only
	Type of product	Still wine
	Country	France
	Regulated designation	Vin de France
	Region	Loire Valley
	Varietal(s)	Pinot Noir
	Colour	Rose

ABOUT THIS WINERY

The quest at J. de Villebois is to create the best Sauvignon Blanc through innovation and experimentation while embracing and respecting the values and spirit of the Loire appellations. The focus is on Sancerre and Pouilly Fumé but they also make wines in other appellations of central Loire. Sustainability is very important to the Villebois family; they hold the highest certificate level in the High Environmental Value certificate program.

TASTING NOTES

The nose reveals some fresh raspberry flavors followed by a red fruit bouquet. The palate is silky, juicy with an airy freshness. The intense black-currant and red cherry aromas dominate the mid-palate while the long lasting grapefruit flavors nicely complement the zesty finale.

A real Rosé treat! Enjoy it during the apéritif, with a BBQ or some Méditerranéan salads.

PRODUCTION NOTES

The Pinot Noir grapes are harvested at night to benefit from the cold Loire temperature. The grapes are gently pressed at a low pressure in a pneumatic press to get our beautiful Rosé color. The juices are fermented in stainless steel tanks during 15 to 20 days at low temperature (14 to 18°C). The Pinot Noir Rosé is bottled in the winter after a few months of aging on fine lees to preserve the aromatics.
