#### ABOUT THIS WINERY

The quest at J. de Villebois is to create the best Sauvignon Blanc through innovation and experimentation while embracing and respecting the values and spirit of the Loire appellations. The focus is on Sancerre and Pouilly Fumé but they also make wines in other appellations of central Loire. Sustainability is very important to the Villebois family; they hold the highest certificate level in the High Environmental Value certificate program.

#### TASTING NOTES

Intense gooseberry and citrus aromas on the nose. The palate bursts with exciting flavors of blackcurrant and vegetal notes, complimenting the refreshing acidity.

#### PRODUCTION NOTES

The grapes are machine-picked at night to preserve the fruit flavors. Immediately after picking the grapes are gently pressed and the juice is fermented traditionally in tanks during 15 to 21 days.
