	Type of product	Still wine
	Country	France
	Regulated designation	Appellation origine protégée (AOP)
	Region	Loire Valley
	Varietal(s)	Sauvignon Blanc
	Colour	White

ABOUT THIS WINERY

The quest at J. de Villebois is to create the best Sauvignon Blanc through innovation and experimentation while embracing and respecting the values and spirit of the Loire appellations. The focus is on Sancerre and Pouilly Fumé but they also make wines in other appellations of central Loire. Sustainability is very important to the Villebois family; they hold the highest certificate level in the High Environmental Value certificate program.

TASTING NOTES

A powerful nose, dominated by flinty notes, blackcurrant and lemon. On the palate, this wine is intense and has minerality. Ripe Citrus flavors are supported by a long lasting and delicate acidity.

PRODUCTION NOTES

The grapes are quickly transported to the winery to minimize skin contact before gentle pressing into a pneumatic press. The grape juices are fermented traditionally in stainless steel tanks during 7 to 15 days and also in oak barrels of 228 Litres for a tiny part (~5%).
