#### ABOUT THIS WINERY

The quest at J. de Villebois is to create the best Sauvignon Blanc through innovation and experimentation while embracing and respecting the values and spirit of the Loire appellations. The focus is on Sancerre and Pouilly Fumé but they also make wines in other appellations of central Loire. Sustainability is very important to the Villebois family; they hold the highest certificate level in the High Environmental Value certificate program.

#### TASTING NOTES

A powerful nose with white fruits notes, white peach and pear. Sweet and supple, the palate evolves towards more vivacity, carried by a nice minerality and fresh lemon flavours. A great pairing with fish, grilled prawns, carpaccio scallops, and curried turkey.

#### PRODUCTION NOTES

The grapes are quickly transported to the winery to minimize skin contact before gentle pressing into a pneumatic press. The grape juices are fermented traditionally in stainless steel tanks during 7 to 15 days and also in oak barrels of 228 Litres for a tiny part (~5%).
