ABOUT THIS WINERY

MMAD Vineyard is owned by a partnership of four wine professionals, Martin Shaw, Michael Hill Smith MW, Adam Wadewitz and David LeMire MW. MMAD Vineyard has Grenache that was all planted in 1939, as well as Shiraz and Chenin Blanc, the oldest of which were planted in 1941 and 1964 respectively. The team's philosophy in the vineyard is to continuously improve soil and vine health, and to promote diversity of plants, insects, and the microbiome.

TASTING NOTES

A combination of fine-ness from the whole bunch pressed component with more texture from the crushed fruit, and an array of characters including citrus peel, cumquat, wet stone, hessian, and sea-spray. The palate is long and framed by crisp acidity, with exciting ageing potential.

PRODUCT NOTES

From the first vintage for the MMAD team, and it's hard to imagine a better season. Lovely mild ripening conditions gave us Chenin Blanc with bright acidity and plenty of flavour. The fruit was hand-picked, and approximately one third was whole bunch pressed to old French oak puncheons, and the balance crushed for more skin contact, and fermented in concrete vats before going to puncheons.
