ABOUT THIS WINERY

Grgich Hills Estate is committed to producing the world's finest estate-grown wines, known for their quality, consistency and longevity. They are also stewards of the land; vineyards are certified organic and biodynamic® and they have converted to solar power at the winery. In harmony with nature, their wines are truly expressive of their terroir.

TASTING NOTES

A special edition of the Yountville Old Vine Cab bottled to celebrate Miljenko Grgich's 100th Birthday! From vines planted Grown on one of the oldest Cabernet Sauvignon vineyards in Napa Valley this elegant wine starts with complex aromas of brambly blackberry, rosehip, red currant, and blood orange followed by flavors of sweet cherry, blueberry, rosemary, and dry peat. The tannins are soft and round and velvety leading to a long luscious finish.

PRODUCT NOTES

In honor of Miljenko "Mike" Grgich's 100th birthday, this remarkable vintage is dedicated to him. This rich, yet elegantly balanced wine is a wonderful tribute to his enduring legacy.

PRODUCTION NOTES

The Yountville Cabernet Sauvignon vines were planted in 1959 to the Inglenook clone and grown as organics. The vines were replanted in 2017.

Niebaum Cabernet Sauvignon #29) on St. George rootstock. More than a half century old, these vines have developed a root system that reaches deep into the subsoil to access all the available nutrients. They produce fewer grapes at this age but more concentrated, intense flavors that express a greater depth of terroir and complexity. All of our certified organic vineyards are farmed naturally, using...
