ABOUT THIS WINERY

After 15 years of travelling around the world as a terroir consultant, Pedro decided it was time to make wines that he likes to drink and to create a legacy for his family. He wanted to make pure terroir driven wines from granitic soils in and around his home of Concepción in the Itata Valley, South Central Chile. He is a leader in the 'New Chile' wine movement making wine in areas that were previously considered too extreme to make premium wine.

PRODUCT NOTES

Cinsault single vineyard (0.64 ha) from Guarilhue Alto planted in 1942. It's one of the oldest Cinsault vineyards in the area. The soil is superficial red, silty, decomposed granite (0-120 cm) that transforms (>120 cm) into a sandy silty light brown with many quartz pebbles. The vineyard is organic (non certified). Around 3200 bottles per year are made.
