ABOUT THIS WINERY

Sokol Blosser is one of the pioneering wineries of the now-prominent Oregon wine industry. The winery is family owned and operated, with the second generation now at the helm: siblings Alex and Alison Sokol Blosser. Today the winery farms 128 acres of vineyards and creates wines of world-class quality, produced in a sustainable manner, which reflect the distinctive flavors of the grapes, soil and climate.

TASTING NOTES

An abundance of black fruit with blackberry, black currants, and black cherry with fresh blossom. A big, rich Pinot Noir with a perfect balance between fruit and tannins.

PRODUCTION NOTES

The fruit was hand harvested from Kalita Vineyard from September 21st to the 24th, and brought back to the Dundee Hills Estate winery where 96% was destemmed and the rest left whole-cluster. The destemmed fruit went through an ambient fermentation while the whole cluster was fermented using the native house yeast. All of this took place in three ton stainless steel tanks with punch-downs for cap management. The wine was aged for 10 months in French oak barrels with 20% new oak.
