#### ABOUT THIS WINERY

Argiano is a beautiful estate in the southern western portion of the Brunello di Montalcino DOCG. The estate has a long history of excellence in the region and is reaching new heights under new ownership. The 120 ha property follows the traditional Tuscan model of mixed land use featuring vineyards, olive groves and woodlands. Argiano produces brilliant examples of Brunello and Rosso di Montalcino as well as Super Tuscan IGT wines.

#### TASTING NOTES

The wine is fermented in stainless steel and by variety in two and three-year-old oak. Expect plummy, savoury, wild berry aromas with a touch of oak, while on the palate, it is a medium rich red with earthy, savoury, Tuscan red-black fruits you can drink or hold. For now, grilled meats or spaghetti Bolognese are good matches.

We baptized this wine as Non Confunditur to honor the prestigious and glorious past of Argiano. Non Confunditur is a unique marriage of both Tuscan and French grapes. Since 2002, NC has taken its place next to the best Tuscan...
