ABOUT THIS WINERY

Montepulciano d'Abruzzo Colline Teramane is Abruzzo's jewel in the crown, a fact confirmed by its promotion to DOCG status in 2003. Situated in Central Italy, its name (Colline Teramane) means hills of Teramo, and it is thanks to this prime hilly site with outstanding growing conditions that the Montepulciano d'Abruzzo gem can shine.

TASTING NOTES

Red fruit notes, agreeable and persistent. It reveals itself as full-bodied, deep, ripe, round, harmonic and persistent with a final note of licorice.

PRODUCTION NOTES

Grapes are generally harvested during the first half of October, and, after an accurate selection are stemmed and very softly crushed and processed following the traditional "red" method, which includes a long-term maceration of the skins inside stainless steel process tanks at a controlled temperature of 28°C. Once malolactic fermentation has taken place, wine ages inside Slavonian oak barrels (25 hl each) for approximately six months.
