ABOUT THIS WINERY

At heart, Catena is a story about a family who poured their lives, passion and spirit into transforming scrub-laden desert into some of the most beautiful and unique vineyards in the world. From generation to generation, blending collective memory with state-of-the-art science, the family has transformed their treasured Mendoza terroir into the fountainhead of the award-winning wines that carry the Catena name.

PRODUCT NOTES

Fortuna Terrae means luck of the land in Latin, and indeed, the vines from this parcel of the Adrianna Vineyard are lucky. The deep loamy soils are home to many varieties of native grasses which prevent erosion and attract benefic insects, singing birds and mountain foxes. Because of the freshness imparted by the deep soils and high altitude, the wines of Fortuna Terrae have optimal acidity and delicate flower aromas.
