ABOUT THIS WINERY

Parés Baltà is a family owned winery in the Penedès region of Spain with traditions dating back to the 18th century. All their wines have an organic certification and the vineyards are certified biodynamic by Demeter. The vineyards are dry-farmed and all wines are vegan. They have their own flock of sheep for fertilizing the vineyards as well as their own bees for pollination during the flowering season.

TASTING NOTES

Delicate, smooth bubbles with pure red fruit aromas and flavours that bring more complexity to this fresh and crisp sparkling wine. Pronounced notes of strawberry and raspberry that follow through onto the palate and develop into a wonderfully intense and concentrated pastry finish. Very reminiscent of the sun-soaked seasons.

PRODUCT NOTES

Parés Baltà wines are certified organic, biodynamic and vegan-friendly. Produced from vineyards located in the high mountains of Pontons (close to 800 meters elevation).

PRODUCTION NOTES

A coupage of Grenache and indigenous Catalan varieties Parellada and Macabeu, and it is made according to the traditional method. Carefully matured in underground cellars on lees for 18 months and bottled with zero dosage.
