ABOUT THIS WINERY

The Jeio collection is the fruit of two interwoven love stories. One side is the Bisol family with their vineyards that they have been nurturing for generations with care and dedication. The other side is the love of Giovanna Bisol for her husband Desiderio, whom she affectionately called "Jeio". Jeio was a true pioneer of Prosecco Superiore.

TASTING NOTES

Brilliant, bright straw yellow with a fine and lively perlage. Elegant and pleasant with an enjoyable fruitiness and nuances of ripe yellow fruit on the nose. The flavours are mellow, elegant and true to its aromas.

PRODUCT NOTES

It is precisely in Valdobbiadene that Prosecco Superiore is best expressed, thanks to the unique characteristics of the terroir. Steep vineyard sites are worked only by hand. The minerality of the hills of Conegliano and the delicate acidity given by the Valdobbiadene terroir give life to Jeio Brut.
