ABOUT THIS WINERY

McManis Family Vineyards is a grower and vintner of premium varietal winegrapes located in the Northern Interior of California. The company was founded in 1990 by Ron and Jamie McManis - fourth generation family farmers. The McManis family has been growing grapes in this region since 1938.

TASTING NOTES

Dark garnet in color with a bouquet that is full of dark berry fruit, such as Blueberry, Blackberry and Black Cherry. Oak aging has contributed just a hint of smoke to the nose. The round, creamy wine delivers an abundance of the fruit flavors promised by the olfactory. The fruit and oak are well integrated and the complexity of the wine plays on the tongue long after the wine has been ingested.
