ABOUT THIS WINERY

At heart, Catena is a story about a family who poured their lives, passion and spirit into transforming scrub-laden desert into some of the most beautiful and unique vineyards in the world. From generation to generation, blending collective memory with state-of-the-art science, the family has transformed their treasured Mendoza terroir into the fountainhead of the award-winning wines that carry the Catena name.

PRODUCTION NOTES

For over four generations, the Catena family has grown vines in the foothills of the Andes Mountains in Mendoza, Argentina. In his pursuit to make wines that stand with the best in the world, Nicolás Catena identified the best lots, and rows, in the Catena family's estate vineyards. White Stones Chardonnay comes from a select 27 rows within Block 1 of the Adrianna Vineyard. The name refers to the ground beneath the vines which is covered with gravel - oval white stones.
