ABOUT THIS WINERY

Pure Est Wines aims to create a community where all wine lovers (new and old) share a link, a connection to the nature. Produced from organic vineyards and practices, the Pure Est philosophy is founded on producing excellent Spanish wines that resonate with the soils and terroir where their grapes are grown.

TASTING NOTES

Tempranillo, the “rock’n’roll star” grape in Spain. Farmed on organic vineyards, intervening as little as possible in all the production process, looking for the maximum notes of fruit and richness. Elegant and balanced aromas dance along the mouth exhibiting notes of plum and strawberries. Perfect if paired with light to medium meals, soups, meats and noodles

PRODUCTION NOTES

The vineyards growing on soils made of white limestone, are laying on an altitude of approximately 700 meters above sea level, in the southwest of the province of Valencia. Fermentation takes place at 18°C. The wine goes through a short maceration time of 6-7 days. A slight and elegant note of French oak is giving by a brief rest and work on woods of the best quality.
