### ABOUT THIS WINERY

Pure Est Wines aims to create a community where all wine lovers (new and old) share a link, a connection to the nature. Produced from organic vineyards and practices, the Pure Est philosophy is founded on producing excellent Spanish wines that resonate with the soils and terroir where their grapes are grown.

### TASTING NOTES

A seductive full-bodied wine made of organic Monastrell grapes (also known as Mourvèdre) which is an atypical variety derived from the Spanish Mediterranean Coast. An explosion of dark fruit and floral notes with herbaceous aromas of black pepper. Wonderful wine to have with a BBQ/saucy meat or even with fish

### PRODUCT NOTES

The vineyards are situated in a hilly district set in a mountainous region that is cut up by ravines which are up to 100 meters deep. The vines grown on limestone soils in the south-east of the province of Valencia.

### PRODUCTION NOTES

The grapes are gently pressed and cooled down to 10°C before entering into a 3 day fermentation period at a controlled temperature of 21°C. A short rest in oak barrels brings complexity and warmth.
