ABOUT THIS WINERY

Jean-Marc Brocard's origins lie in the Côte d'Or, the son of a farmer from the village of Chaudenay-le-Château. It was an accident of marriage that brought him to wine, he married a vigneron's daughter. Jean-Marc planted his first vines in 1973 in the village of Préhy, the birth year of his son and now vineyard manager, Julien. Jean-Marc says "The truth of wine lies in the soil where it has grown."

TASTING NOTES

This very known soil, the vastest of Grands Crus, has a big personality. The south exposure gives generous, very dry, powerful, rich, long wines on the palate, which make miracles after some years of ageing. Les Clos always develop in an exceptional way in time, by remaining mineral and powerful.
