ABOUT THIS WINERY

Representing the "next generation" in a great wine dynasty is not easy, but Laura Catena is taking up the challenge. She is focused on a new breed of small quantity, artisan-quality wines true to their individual terroirs. Luca's wines start with some of Argentina's best old-vine grapes, while rigorous vineyard management and state-of-the-art winemaking techniques round-out the quality level sought out by top wine collectors and connoisseurs.

TASTING NOTES

Beautiful pale-gold color with enticing aromas of lemon creme, baking spices and mineral long finished. The aromas carry through to the palate, and are joined by hints of white peach flavors and, spiced baked pear, a stony/ mineral flavor that creates a stylish wine that seems part new and part Old World. Pairs well with most fish, crab, chicken, and even many pork preparations. Particularly recommended with dishes using sauteed wild mushrooms or butter sauces.
