ABOUT THIS WINERY

Diamond Creek is a true California legend. Perhaps the greatest attribute of these profoundly special wines is their understatedness, something they have in common with Bordeaux wines such as Haut Brion, Ausone, and Lafite. It is a truism that the very finest wines of California are the wines that are furthest from the big-fruited California stereotype, which these most certainly are. These are precious wines that have tremendous aging potential.

TASTING NOTES

Medium dark ruby color with cherry, mint and black currant flavors, accentuated by velvety tannins, rich and well balanced.

PRODUCT NOTES

Red Rock Terrace, a warm microclimate, is 7 acres of north facing vineyard. The red tinted soil is high in iron content. The wine from Red Rock Terrace is the most accessible and earliest drinkable of all our wines.
