ABOUT THIS WINERY

Now considered one of the great estates of Spain, Aalto proudly sits among Ribera del Duero's elite. Today the wine is a blend of over 110 different old vine plots sourced from several different villages and across all 3 distinct sub zones of the DO. Mariano Garcia has a rare gift for articulating the special character of these old vine plots producing delicious age-worthy wine year after year.

TASTING NOTES

Deep purple red color. Notes of red fruits together with subtle aromas of spices coming from the wood emerge. AALTO 2019 is a very fresh and elegant wine. On the palate its broadness, structure and persistence are remarkable.

PRODUCTION NOTES

100% Tinto Fino (Tempranillo) primarily from very old vines – 40 to 80 years old – from nine different villages in the province of Burgos and Valladolid.

The harvest was done by hand, in small boxes of 15 kilos that are thoroughly inspected, bunch by bunch, on the selection table.
