ABOUT THIS WINERY

The Coulon family, owners of Domaine de Beurenard in Châteauneuf-du-Pape have released a range of wines called "Dan & Fred". These wines are made from fruit purchased from fellow growers whose vineyards are also certified organic and biodynamic and all the wines are made with the same care and demanding standards as those at Domaine de Beurenard.

TASTING NOTES

Gourmet wine that presents notes of red fruits enhanced with spices. In the mouth, the Côtes du Rhône offers us a surprising freshness with silky tannins. It's a wine which will perfectly accompany your moments of sharing. A great pairing with Lamb, coated with tomatoes and basil.

PRODUCT NOTES

Today, biodynamics is self-evident: Man works in harmony with nature, driven by a deep respect for Terroirs and Life. The art of blending is a tradition in our region. Over the centuries, the Coulon family has made it one of the strong markers of its identity. Grenache, Syrah and Carignan vines unite harmoniously to offer a gourmet wine with radiant fruit.
