ABOUT THIS WINERY

The quest at J. de Villebois is to create the best Sauvignon Blanc through innovation and experimentation while embracing and respecting the values and spirit of the Loire appellations. The focus is on Sancerre and Pouilly Fumé but they also make wines in other appellations of central Loire. Sustainability is very important to the Villebois family; they hold the highest certificate level in the High Environmental Value certificate program.

TASTING NOTES

Pale green-yellow color. Intense vegetal and citrus aromas on the nose. An unctuous, yet powerful, palate. The intense gooseberry flavors are complimented by a long lasting finale. Great to enjoy as an apéritif. Goes very well with oysters or lobster but excellent with goat cheese.

PRODUCT NOTES

This Sancerre is a cuvée made from the three famous Sancerre terroirs. It has an intense bouquet and a flavorful palate. It bursts forth with lots of ripe fruit flavors and vegetal aromas. A new world-style Sancerre, yet true to its unique terroirs.
