### ABOUT THIS WINERY

Clos des Fous is an immensely exciting Chilean project, focused on the revitalization of very old dry farmed vineyards and the planting of new vineyards in the most dramatic and challenging conditions imaginable. This is as cutting edge as it gets anywhere in the world, combining extreme viticulture, organic and biodynamic farming, and non-interventionist winemaking to produce remarkable wines.

### TASTING NOTES

This blend from the Maule show notes of leather, cassis, black tar, blackberry, crused walnuts, and a hint of Eucalyptus on the nose. Fig and blueberry syrup on the palate with touches of powdered sugar and some spice. This wine has depth and layers that continue to an extremely long finish.
