ABOUT THIS WINERY

The Latour-Giraud estate has been established in the village of Meursault for many generations. The estate owns an impressive range of Premier Cru and Villages vineyards between 20 and 50+ years old. Latour-Giraud specializes in white burgundy, which accounts for 80% of their production.

TASTING NOTES

This wine has explosive aromas of nectarine, ripe peach, white flowers, and hazelnut. The palate is fresh with hints of acacia, ginger, and honeysuckle. It has a long finish and great aging potential.

PRODUCT NOTES

The 1er Cru vineyards of Champs Canet spread over Meursault Perrieres and covers 4 Ha. Similar to the "chambertin" vineyard, its name comes from the first owner, Les Champs de Canet.

PRODUCTION NOTES

Only the free run juice is fermented with wild, natural yeasts in barrels of which 25% is new. The wines are kept on their lees an appropriate time to balance texture and acidity while racking is kept to a minimum. The whites are fined, but not filtered, and bottled by hand. Unlike many producers who bottle all their wines at once, Latour-Giraud carefully monitors each wine and bottles at the optimal time over a 6 month period.
