#### ABOUT THIS WINERY

Tilia is the Latin name for the Linden tree found throughout Mendoza. In Argentina's wine country, the tree's leaves are commonly used by vineyard workers to brew a popular, calming tea. Translated into Spanish, locals refer to Lindens as the "tree of life". For them, these trees represent a slower, more spiritual side of life.

#### TASTING NOTES

Aromas of black cherries and plums are accompanied by notes of violets and vanilla. On the palate the wine is rich and full-bodied with flavours of juicy black berries, cranberries, and black currants abound, followed by notes of vanilla and sweet spice.
