ABOUT THIS WINERY

The Latour-Giraud estate has been established in the village of Meursault for many generations. The estate owns an impressive range of Premier Cru and Villages vineyards between 20 and 50+ years old. Latour-Giraud specializes in white burgundy, which accounts for 80% of their production.

TASTING NOTES

This wine is the classic combination of minerality and the spice of the Genevrières vineyard. Its deep concentration and power is provided by the old vines. Great aging potential.

PRODUCT NOTES

The vineyards of Genevrières is a total of 16 hectares in the heart of the Meursault 1er Crus, south of the village. The name of this appellation comes from the juniper trees that used to grow there in the past.

PRODUCTION NOTES

Only the free run juice is fermented with wild, natural yeasts in barrels of which 35% is new. The wines are kept on their lees an appropriate time to balance texture and acidity while racking is kept to a minimum. The whites are fined, but not filtered, and bottled by hand. Unlike many producers who bottle all their wines at once, Latour-Giraud carefully monitors each wine and bottles at the optimal time over a 6 month period.
