ABOUT THIS WINERY

For over half a century, the Combard family has been handing down the winemaking tradition to its sons and daughters. Magali, Delphine and François took the helm of the winery from their father Alain Combard and are proudly carrying on his pioneering spirit. Blending heritage and innovation, Figuière is a traditional winery making wines with power, finesse, balance and aromatic complexity.

TASTING NOTES

Pale salmon pink in colour, the nose shows notes of white flowers that develop into white peach skin. The palate expresses the velvety texture of citrus peel and the zestiness of an essential oil. Not mandarin, not lemon, not orange, more like kumquat. There's something astringent, green, tight and fresh about this wine.
