	Closure type	Cork

### ABOUT THIS WINERY

Diamond Creek is a true California legend. Perhaps the greatest attribute of these profoundly special wines is their understatedness, something they have in common with Bordeaux wines such as Haut Brion, Ausone, and Lafite. It is a truism that the very finest wines of California are the wines that are furthest from the big-fruited California stereotype, which these most certainly are. These are precious wines that have tremendous aging potential.
