ABOUT THIS WINERY

In the 14th century, during their stays in Avignon, the popes – especially Pope John XXII – built a papal castle in Châteauneuf-du-Pape. Impressed by the area’s exceptional soils, they established vineyards on the slopes surrounding the château and were instrumental in promoting the local wine’s reputation around the world.

TASTING NOTES

Made from old vines of different varieties growing together, with moderate yields, Boisrenard is characterized by the silky weave of its tannins and its generous fruit. A wine of immense depth.

NOTES ABOUT PRODUCT

Châteauneuf-du-Pape is characterized by the diversity of its soils, with a mosaic of plots where different varieties grow together on limestone rock, round pebbles on a clay substrate with varying amounts of iron, and fine sedimentary sand.

WINEMAKING NOTES

The grapes are hand-picked and sorted in the vineyard. Co fermentation, long vatting for soft extractions. Matured for 12 months in conical vats, foudres and barrels.
