ABOUT THIS WINERY

For almost four centuries, the Trimbach Family has been promoting Alsace and its history, exceptional terroirs and fine wines. Maison Trimbach remains in Ribeauvillé and is owned by the two grandsons of Frédéric Théodore, Bernard and Hubert. The quality of the wines has garnered the estate nearly universal acclaim and landed the wines on tables at every single Michelin 3-star restaurant in France.

TASTING NOTES

In exceptional years, a selection of the best parcels (including Grand Cru Osterberg) produces a wine of great maturity, opulence with succulent fruit. The long development of the wine is synonymous with its long ageing potential, 10 years and more. This highly complex, broad and voluptuous wine, retains its structure thanks to its vitality. Pair with: foie gras, lobster in sauce, poultry, white meat, and truffle dishes.

PRODUCT NOTES

The 40 hectares that make up the Trimbach estate stretch over more than 50 parcels and 6 villages.
The Trimbach estate strives to produce high quality wines by using integrated, sustainable winegrowing practices. This is demonstrated with the winery's focus on preserving nature; close pruning, innovative techniques for maintaining healthy vines, tilling the soils, producing moderate yields, and meticulous selection of the grapes.

PRODUCTION NOTES

The grapes are harvested exclusively by hand. They are then delicately pressed before gravity gently carries the juice to the cellar. It is here where the meticulous work of Pierre Trimbach (12th generation) begins as he vinifies and matures his wines with precision and finesse, constantly mindful of conserving the purity of the particular grape variety and the soul of the unique terroir. Old wooden casks are used alongside stainless steel tanks.
