ABOUT THIS WINERY

Neal Family Cab is a Liquid Art classic for many reasons. It is a top quality Napa Cab with an impeccable pedigree produced by one of the valley's great winegrowing families. The wines are old school Napa to the max, combining the telltale aromas of mown hay, cassis, and cedar with ripe tannins and persistence of flavour. In classic Napa fashion, it is irresistibly delicious to drink now, but will only get better with age.

TASTING NOTES

The 2016 Howell Mountain Cabernet Sauvignon is impenetrable in its youth, it is generous and giving now. It leads with aromas of dried red fruit, black currant, well-tanned leather and cassis. The tannins are fine and complement darker flavors of cocoa powder and espresso beans. You will find the finish lingers with the minerality of crushed rocks and natural acidity that forecasts its age-ability.

PRODUCTION NOTES

100% Cabernet Sauvignon all sourced from the Howell Mountain AVA. The vineyards are certified organic and the winemaking facility has been certified an organic winemaking facility since 2009.
