#### ABOUT THIS WINERY

Duncan Arnot Meyers and Nathan Lee Roberts made their first wine together in 2001, and they soon founded Arnot-Roberts. Their goal is to produce natural wines that express the uniqueness and beauty of their origin. "We are California kids. We love Northern California. Our intent is to express the potential of Northern California," says Meyers.

#### PRODUCTION NOTES

All the sites were harvested and vinified separately. The fruit was destemmed and fermented using native yeasts, then blended and aged in 50% concrete tank and 50% neutral French oak barrels for 10 months.
