### ABOUT THIS WINERY

After 15 years of travelling around the world as a terroir consultant, Pedro decided it was time to make wines that he likes to drink and to create a legacy for his family. He wanted to make pure terroir driven wines from granitic soils in and around his home of Concepción in the Itata Valley, South Central Chile. He is a leader in the 'New Chile' wine movement making wine in areas that were previously considered too extreme to make premium wine.

### PRODUCT NOTES

Cinsault single vineyard from the area of Guarilhue Alto. The vineyard was planted in 1943 with 0.51 ha. The soil is composed by a red, silty sandy horizon in the first 70 cm moving to a sandy silty decomposed light yellow - brown Granite, full of Quartz. The vineyard is organic (non certified). Around 3600 bottles per year are made.
