ABOUT THIS WINERY

Olivier Humbrecht is one of the world's most renowned winegrowers. A Master of Wine who has been described by Robert Parker as the greatest white winemaker on earth. Yet he is very soft spoken, humble, and self-deprecating. He is a champion of terroir, biodynamic farming principles, and non-interventionist winemaking, whose family have been winegrowers in Alsace for 12 generations (since 1620).

PRODUCTION NOTES

Sourced from the younger vines, planted between 1978 and 1986, of one of Alsace's most famous vineyards, the extremely steep Rangen de Thann (pictured in the banner above). We love that Olivier Humbrecht considers 30+ year old vines to be young vines! Prior to this vintage this fruit went into the Rangen de Thann Riesling (\$110+ retail value). This is a spectacular bargain given the site the wine hails from!
