ABOUT THIS WINERY

Domaine de Courcel has been in the hands of the de Courcel family since the 16th century, its 9 hectares situated entirely within the commune of Pommard and comprising some of its finest premier cru sites.

TASTING NOTES

Aromas of red berries and ripe white fruits such as peaches or apricots. The fine tannins are numerous and blend in nicely with the smoothness and the aromas. To be served at 15°C.

PRODUCT NOTES

Le Grand Clos des Epenots is a monopoly of the Domaine. The plot of 4.89 hectares of land is located north of Pommard, at the start of the slope and is east facing. The soil, which is rich in clay and limestone, is brown and strewn with limestone rocks. The depth of the soil is around 40-60cm and its structure acts as a natural filter. The vines are ~60 years old.
