ABOUT THIS WINERY

Altaland is a wine dedicated to highlighting the extraordinary viticulture and cultural diversity of Argentina and its regions. Colourful flowers and herbs line windows and gardens, and everything from the food to the wines is spicy and aromatic. Altaland is the flavour of a limitless Argentina.

TASTING NOTES

Altaland Syrah displays a very intense red colour with purplish and blackish hues that denote its great concentration. There is great aromatic intensity, mainly red fruit combined with spiced notes as well as balanced and subtle sensations of liquorice, vanilla and coconut. In the mouth, it is an unctuous wine with gentle and round tannins. It is a long and persistent wine suitable for bottle ageing.

PRODUCT NOTES

La Rioja is wild and stunningly romantic, with llamas, goats, ñandu and horses roaming in the wild and the largest number of Carnival holidays of any Argentine province. The abundant hills shade the vineyards from the bright afternoon sun, and syrah thrives here from this magical combination of sunlight, mineral-rich soils and cool mountain nights.
