ABOUT THIS WINERY

Olivier Humbrecht is one of the world's most renowned winegrowers. A Master of Wine who has been described by Robert Parker as the greatest white winemaker on earth. Yet he is very soft spoken, humble, and self-deprecating. He is a champion of terroir, biodynamic farming principles, and non-interventionist winemaking, whose family have been winegrowers in Alsace for 12 generations (since 1620).

TASTING NOTES

This wine is a classic and powerful example of Riesling. The nose is quite lush with layers of pineapple, tangerine and minerality. The palate is lush and rich with a very long finish. This is one wine not to miss out on.

PRODUCT NOTES

The respect for the vine and soil is very important for Olivier and his team of vineyard workers. All viticultural work is carried out by hand with the help of some horses to plough the vineyards with minimum impact of the soil. All vineyards have been certified organic and biodynamic since 2002. Low impact farming is practiced, organic composts are used and yields are restricted.

PRODUCTION NOTES

All wines are fermented in traditional oak vats using native yeasts. No additives are used, and chaptalization is never carried out. The wines are left on their lees and ferment at their own pace, the wines are not fined. Very little sulfites are added and the wines are bottled after at least 18 months on the lees.
