#### ABOUT THIS WINERY

Olivier Humbrecht is one of the world's most renowned winegrowers. A Master of Wine who has been described by Robert Parker as the greatest white winemaker on earth. Yet he is very soft spoken, humble, and self-deprecating. He is a champion of terroir, biodynamic farming principles, and non-interventionist winemaking, whose family have been winegrowers in Alsace for 12 generations (since 1620).

#### TASTING NOTES

The nose shows intense white fruit aromas, classic Riesling intensity without the more stony character often found on richer wines. The palate feels surprisingly intense, while finishing very dry but without any tightness. An easy wine to enjoy in its youth.

#### PRODUCT NOTES

There is no doubt that this wine will close up slightly in the months following the bottling. You will then have to be patient and give it time to open up. The 2020 Riesling Brand Grand Cru is dense and strict. It embodies the verticality expected of such a granitic terroir and has a great aging potential.
