ABOUT THIS WINERY

In the wild and rugged landscape of the Priorat, a dramatic struggle for survival of the vine is carried out. An unique atmosphere that captures any nature and wine lover. That was what attracted the Cusiné Family, one of the traditional wine families in the region of Penedes. That was the magic that led them to start this project with the young winemaker Jordi Fernandez.

TASTING NOTES

Deep purple with ruby tinges. Aromatic intensity and complexity with explicit presence of preserved red fruit well balanced with the touch of toasty notes from the oak. The entry is soft, but it changes showing unpolished ripen tannins together with good volume and acidity. Fruity notes with a mineral character at the end of the mouth. Long and fresh aftertaste.
