ABOUT THIS WINERY

At heart, Catena is a story about a family who poured their lives, passion and spirit into transforming scrub-laden desert into some of the most beautiful and unique vineyards in the world. From generation to generation, blending collective memory with state-of-the-art science, the family has transformed their treasured Mendoza terroir into the fountainhead of the award-winning wines that carry the Catena name.

PRODUCT NOTES

Located in the far southerly growing region of Altamira en La Consulta, the Nicasia vineyard is the only planting of the special Catena Selection of Malbec cuttings in this traditional area for Malbec. La Consulta was Nicolás Catena's father Domingo's prefered Malbec location.
