ABOUT THIS WINERY

Pure Est Wines aims to create a community where all wine lovers (new and old) share a link, a connection to the nature. Produced from organic vineyards and practices, the Pure Est philosophy is founded on producing excellent Spanish wines that resonate with the soils and terroir where their grapes are grown.

TASTING NOTES

Organic wine made of Verdejo grapes which has remained one of the most popular varieties in Spain since the 11th Century. Crisp flavours of citrus fruits such as lemon and lime grace the palate as a hint of fennel hits on the finish.

PRODUCT NOTES

The vineyards are situated on limestone soils at an altitude of approximately 700 meters above sea level. They are located in the southwest of the province of Valencia.

PRODUCTION NOTES

Gentle pressure was applied to the skins after bringing the grapes down to 5°C. This process added minerality and exotic aromas to the wine.
