ABOUT THIS WINERY

Parés Baltà is a family owned winery in the Penedès region of Spain with traditions dating back to the 18th century. All their wines have an organic certification and the vineyards are certified biodynamic by Demeter. The vineyards are dry-farmed and all wines are vegan. They have their own flock of sheep for fertilizing the vineyards as well as their own bees for pollination during the flowering season.

TASTING NOTES

A natural, 100% xarel-lo orange wine, ecological, macerated and fermented in amphorae of local clay. The nose is fruity and elegant, with a background of baked apple ending with a subtle banana aroma. Honeyed and structured but very delicate, cured lemon and peach peel. Nicely structured on the palate, with a lot of texture thanks to the skins that have given it tannins.
